x after name is person who gave info												
*1 Margaret is on the birth certificate but Marguerite was always used. Always!												
*2 John Paul is on the birth certificate and John Gary is on the Baptism certificate "Gary" always used by family and friends (jgfox note 4/2014)												
*3 Work is coded housework, school or other												
*4 pw = "private worker"not working for government												
Note: Unlike prior US Census there is little genealogy information												
1940 US annual salary for me \$956 and for women \$592												
Median annual wage or salary for men and women, respectively, counted in the 1940 Census. These figures are in 1939 dollars and pertain to people 14 and older. Wages was the only income identified with an amount in the 1940 Census. https://www.census.gov/newsroom/releases/archives/facts_for_features_special_editions/cb12-ffse01.html
